Expectations for Academic Conduct

Student Handbook

It is your responsibility to read the [student handbook](#) and contact your instructor if you have any questions.

Acceptable User & Netiquette Policy

The [Acceptable Use Policy](#) outlines the guidelines and behaviors that all users (administrators, teachers, students and parents) are expected to follow when participating in the Indiana Online program.

Academic Integrity

Honesty is the [Indiana Online policy](#)!

CIPA

The [Children's Internet Protection Act](#) (CIPA) is a federal law enacted by Congress to address concerns about access to offensive content over the Internet on school and library computers.

Assistance for Students with Disabilities

Indiana Online supports an inclusive learning environment for all students. If there are aspects of the instruction or design of this course that hinder your full participation, such as inaccessible web content, or the use of non-captioned videos and podcasts, reasonable accommodations can be arranged.

Learn more about the [accessibility features](#) in Indiana Online's Learning Management System (LMS), Desire2Learn.

Suggested Assistive Technologies

- Screen Readers: [VoiceOver](#) and [NVDA](#)
- Chrome Extensions: [ChromeVox](#) and [Speakit!](#)

Minimum Technical Skills and Special Technology Utilized by Students

This course is totally online. All instructional content and interaction takes place over the internet. In addition to baseline word processing skills and sending/receiving email with attachments, students will

be expected to search the internet and upload / download files. In addition, students may need one or more of these [technology plug-ins](#) to access course materials and content.

Students should have access to Microsoft Office or have an established Google account to work on course documents.

Technical Questions? Please contact the [Indiana Online Helpdesk](#).
